

January Chrysalis Board Meeting

The meeting was called to order by Betsy Bilyew. Everyone present recited the Prayer to the Holy Spirit to open our first session. Board members present were: Betsy Bilyew, Steve Hagen, Mark Eastway, Bruce Burdick and Kathy West. Visitors included Alan Palmer, Ann Burdick and Randi Lincoln.

New officers were appointed: Bruce Burdick- Community Lay Director; Brian Longardner-Treasurer; Kathy West-Secretary. Betsy Bilyew is the Ex-Officio. It was announced that Reba Ervin and Julie Worland are new board members. We will need to contact youth to see who would be interested in being apart of the board since there is no youth represented at this time. It was recommended by Steve Hagen that we abolish the requirement of the youth to serve in the conference room before they are allowed to serve on the board. This is recommended because they years for the youth to serve is so short many youth are not able to serve in the conference room. This recommendation was seconded by Betsy Bilyew. Sue Ross will be contacted to see if she would be interested in continuing as our Registrar.

Alan Palmer reported on the upcoming Chrysalis boys' flight. There are still youth needed to serve on this flight. An overnight weekend is planned for the team meeting. Steve Hagen will be the board rep for this flight. The girls' flight, March 7-9, will be postponed because we were unable to find someone to be lay director. Matt Jacquay will be Lay Director for the October boys' flight and Jan Cranford has agreed to be Lay Director for the November girls' flight.

Committee appointments will be made at next months meeting. Everyone is asked to pray and seek where God would have them serve. John Moore is willing to help with agape and Ann Burdick will continue to do the name badges, bed and bag tags. Future meetings were discussed. It was brought up by Bruce Burdick that we have conference calls for our meetings since it is so hard to get everyone together in one place for a meeting. This will be looked into further. It was planned to have our next meeting on Thursday, February 28 at 6:30 p.m. at St. Andrews U.M. Church in Syracuse.

Respectfully Submitted,

Kathy West
Secretary
