

Chrysalis Board Meeting May 22, 2008

The board meeting was opened by Brian Longardner with a devotional selection from the book "Walking with the Savior" by Max Lucado. Those in attendance were: Bruce Burdick, Mark Eastway, Brian Longardner & Kathy West. Guests included Ann Burdick & Fred Lincoln.

COMMITTEE REPORTS:

TREASURER: Brian reported a balance of \$10,276.26. It was reported that an audit has been done and Bruce was complimented on what an excellent job he has done keeping the books in order. Checks were sent out for the boys flight that was scheduled to be held in April. Since it was cancelled the money needs to be returned from the Head Kitchen and Head BTS. Everyone agreed that the LD money should not be refunded since Alan had expenses in sending out materials and in making many phone calls. Brian will contact Alan about the refund of the other money.

HOOTS: A hoot is being planned for July 26 at Center Lake in Warsaw. Details are still being worked out.

TEAM SELECTION: Bruce reported that he will e-mail the boys team selection roster when he receives it from Matt Jacquay. The board is to prepare a list of possible team members for the girls Chrysalis Flight and bring it to the next meeting.

SITE SELECTION: Bruce reported that flights for next year will continue to be held at Good Shepherd Retreat Center but that we still need to be looking for a new facility to hold flights.

NEW BUSINESS:

Fred reported that manuals are missing for the boys flights. Manuals have been given out for the past two boys flights and none have been returned. This has resulted in there being no available manuals to be given to Matt Jacquay for his team. The past lay directors will be contacted and we will try to get these manuals returned. Fred has asked permission to reprint the manuals. There was some discussion and it was decided to allow Fred to reprint the manuals.

The next meeting will be held on June 26 at St. Andrews U. M. Church in Syracuse at 6:30 p.m. The meeting was adjourned.

Respectively Submitted
