Dear Emmaus Community,

Decolores!!! And God bless you all in this upcoming fall season! What an exciting time for back to school, football, cooler days and nights, and the joy of living a life in the amazing colors of God's great grace and love!

The North Indiana Emmaus Community hosts some incredible Walks to Emmaus. God's love is expressed and experienced, hearts and lives are changed, and the Emmaus Community has wonderful opportunities to experience once again the joy of the Walk through our participation in the prayer vigils, serving on team, attending Candlelight and Closings. But what about our 4th Day experiences? Are we, as people who committed to the discipline of living our lives daily with Jesus, committed to the accountability of our 4th Day journeys by being involved in a 4th Day group? We all know that our journey with Jesus requires daily habits of study, prayer, meditation, and fellowship. But do we also realize how important it is to be in a safe and trusting group of people so that we can share our challenges and joys on the journey so that others might encourage us, point out our blind spots, and hold us accountable to doing and being what we said we would do and be in Christ Jesus? Being in a 4th day group is vital to the vitality of our Emmaus Community, Walks and to the essentials of our continued ability to live in the "colors" of God's grace, mercy, forgiveness, and love. Our response to what God is doing in our lives is our service to others.

Each person on the Emmaus Board of Directors for the NIEC has been challenged to be a part of a 4th Day group. My fourth day group consists of two people, myself and Pastor Jill Wright. We gather most weeks for lunch, good talk, and holding one another accountable in our walk with Jesus Christ. And folks, IT'S A GOOD THING!

Are you involved in a 4th Day group? Are you able to attend post Walk gatherings and monthly gatherings in your area? How is your commitment to Christ and his ministry these days? The Walk to Emmaus is just beginning on the Sunday afternoon/evening Closing because our "walk" with Christ continues for the rest of our lives.

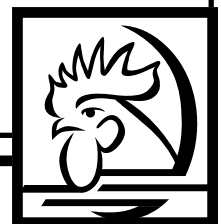

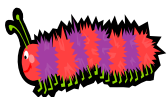

DECOLORES!
